

## **RoHS Compliance – Weald ‘LMF’ Range**

Part number changes for alternative plating finishes as follows:

Part number for a standard connector finished in yellow Passivated Cadmium:

LMF/1/40200/ 5 20

Part number for a standard connector finished in yellow Passivated Zinc Cobalt:

LMF/1/40200/ H 20

**ie. Substitute the '5' for an 'H' to change the connector plating from Cadmium to Zinc Cobalt**
